

About The Eastchester Rotary Club

The Eastchester Rotary Club was founded in 1963 and is one of 32,462 Rotary Clubs in 168 countries representing 1.2 million individual members.

Our mission is "Service Above Self" and we follow the Four Avenues of Service which are Rotary's philosophical cornerstone and the foundation upon which our club's activities are based :

- **Club Service** – to strengthen fellowship and ensure effective functioning of the club.
- **Vocational Service** – to encourage service to others through a Rotarian's vocation and the practice of high ethical standards.
- **Community Service** – to improve life in our community via projects and activities the club undertakes.
- **International Service** – to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace through club actions.

Funds to support our service programs are generated at our weekly meetings and by our various fund raising efforts throughout the year. Our premier event is the annual golf outing. Members, businesses, and individuals who participate in these special events have helped the Eastchester Rotary to do the following:

Locally: Support and mentor High School and College students through Rotary's youth club programs - Interact and Rotaract, respectively; provide college scholarships to local high school students; provide vocational assistance to youth; participate weekly in Meals on Wheels; provide holiday cheer for families in need and senior citizens via gift baskets and Christmas trees; beautify Eastchester with a new gazebo at "Rotary Park"; honor town victims of September 11th via the Rotary clock monument in front of Town Hall.

Nationally: Provide a truck load of supplies and mobile housing units to victims of Hurricane Katrina and grants for other national causes.

Internationally: Provide life-saving cardiac surgery unavailable in their own country to children brought to Westchester through our Gift of Life program, arranging housing, interpreters and full support for parent and child during their pre-op and post-op residency; provide Vitamin A to prevent blindness in the Philippines; support a water purification program in South America; help build schools in South Africa; and continue efforts to eradicate polio world-wide through Rotary's Polio Plus program.

Rotarians always keep in mind the Four-Way Test for the things we think, say or do : Is it the TRUTH; Is it FAIR to all concerned; Will it build GOOD WILL and BETTER FRIENDSHIPS; Will it be BENEFICIAL to all concerned?

The Eastchester Rotary Club thanks you for your partnership in supporting all our effort.
